Do You Think You Are Trying To Connect To Warren County?

69 people have proven it!
They received Certificates for
**Warren County –
McMinnville
First Pioneer Families**

There's still time for you to make your connection by submitting copies of an official record linking you to Warren County before 1820. Those records can be birth, marriage, death, probate or will, church, cemetery, funeral or obituary, land records, tax records, court, military records, census, newspaper, or Bible for each generation, including the applicant.

To qualify for a certificate, suitable for framing, the applicant must directly descend from an ancestor (male or female) who was in Warren County no later than the 1820 census (this includes the boundaries of the original formation of Warren County from White county).

**Warren County-McMinnville
