

PURIN COPE BOOK COPE

Grundy Co, TN Heritage Book

Hello,

I recently seen on the Grundy County Herald website information concerning your proposed book, I am a descendent of Stephen Cope, Sr. and his wife, Comfort Bolin, and would like to include information about them and their family in the book. Stephen was born in Warren County in 1805, and he and Comfort ended up in what became Grundy County, living in the Clouse Hill area. They had sixteen children, about half living to become adults. I have information on most of them, as well as their descendents which I would like to share.

Some of the families that the Cope's married into are the Sanders, Mecks, Fults, Tuckers and Smart. I also have a database of the people that lived in Grundy County in the middle and late stages of the 1800's, which I would gladly like to contribute, even though it is not entirely complete. This data includes about 7,300 individuals.

Please respond to the address below. I also have included my email address, as well as my web page address, which has a link to my Cope History Center. Thank you.

Sincerely,

Michael Allen Fromholt
