	JKP1911-01B										Postcard letter from John Kunz to his family August 8, 1911, Cheyenne, Wyoming. Transcribed from the back of the picture postcard: "Cheyenne, Wyoming August 1911, Find you here brother Rudy and my self's picture we had taken in Omaha. I recognized him right away and he also said he thought right away it was me when he saw me. He gave me a good photo of himself which I will bring home with me. I am enjoying the trip fine although it is somewhat tiresome to ride so long in one stretch. Hope you are well and the children also. John" This may have been at the time that John traveled to see California.
