TATE FAMILY DIRECT DESCENDANCY LINE FROM 7th GREAT-GRANDPARENTS:

Please note that members of the Tate & extended Families, to whom I am grateful for their hard work, have documented the following information, for without them I would not have had so easily the following information:

ORIGINAL TATE FAMILIES OF WASHINGTON & RUSSELL COUNTIES, VA AND THEIR DESCENDANTS:

(PLEASE NOTE: Same Place/Different Names=1738-Augusta Co./1769-Botetourt Co./1772-Fincastle Co./1776-Washington Co./1785-Russell Co., VA)

There were several families of the name TATE in So. W. Virginia before the Revolution and some were not related. This record of the Tate Family is the 2nd book on the Tate Family to be published by the compiler(s). We are still looking for our own family, we are glad to finally get the records put together in an orderly fashion, having done so, we have come to a definite conclusion about the different branches. John Tate who had a brother-in-law, named Francis Beaty and whose descendants subsequently moved through N. Carolina and then to S. Carolina possibly is the line of our ancestors. It has been a pleasure putting these families together. The Russell and Washington Co. Tates were difficult to separate. The Tates of Warren and Grundy Co., TN have made it difficult to get them straightened out because of the inter-marriages between the early pioneer families. They have lived there for 180 years. As a consequence it becomes a history of a county with marriages among the following pioneer families: Bost, Dykes, Fults, Armfield, Barnes, Bess, Beaty, Boulding, Brown, Coppinger, Creighton, Dugan, Green, Gross, Hill, Hobbs, Killian, King, Lockhart, Morton, Northcutt, Nunley, Savage, Scruggs, Smith, Stokes, Walker, Woodlee and other families. (see separate listing entitled "Combined Families" which is an alphabetical listing of Tates plus all Family Names through marriages and persons in each Family, and their descendants plus their marriages, etc.)

There were 2 Tate Families living in Washington County, VA, about the same time and we wish to separate them by itemizing all the details of the settlement.

A. John Tate (c1670, Ulster, Ireland)/Beaty, Sarah (1687, VA)(6 children)(my 7th G'Grandparents-cjd)("Tates....#A, p.169) ("Tates...p.169) The progenitor of this family was a member of the covenantor Creed, his parents left Scotland and settled in the North of Ireland. He was born c1670 in Ulster, Ireland, was wounded in the siege of Londonderry Apr. 1689 and suffered ill effects the remainder of his life, though he did not die young. He married Sarah Beaty, sister of Francis and John Beaty. One John Tate had land in Beerley Manor, Augusta Co., VA in 1749 and lived near Francis Beaty who had land in both Beverley Manor and Bordens surveys of Augusta Co., VA. It is not known by us (but proven by other Tates after the printing of this book) if the above mentioned John Tate was father of John Tate of Bedford Springs, PA whose family is mentioned by several writers of Augusta Co., VA. John Tate, of this sketch was brother-in-law of Francis Beaty. On 10 Oct 1769 Francis Beaty Gent. Of Mecklenburg Co., NC Power of Attorney to John Tate, brother-in-law, of Augusta Co., VA to sell land belonging to Francis Beaty, including land purchased of John Kerr on Flat Spring Branch, adjacent to other land where I last lived before moving to NC. John Robert Tate Sr's estate was taxed in 1794, indicating that he had passed on prior to that date. Augusta Co., VA, was formed in 1738 and comprised a great part of Virginia. Botetourt Co. was formed in 1769, Fincastle Co. in 1772, Washington Co. in 1776, and Russell Co. in 1785 where they eventually found themselves living. Robert Tate, Sr. died prior to 1794, however his son Robert Tate Jr. continued to be called Jr. In Nov. 1804 Russell Co. Robert Jr. received a land grant of 174 acres in Fincastle Co., VA 13 Dec 1774 on Big Moccasin Creek, No. Fork of Holston River. On 20 Apr 1784 he received a land patent of 250 acres in Washington Co., VA on both sides of Big Moccasin Creek on a spur of Clinch Mountain on the Holston River some 3 miles from Col. John Tate. In 1781 he and his brother Col. John swore allegiance to the U.S. in Washington Co., VA, as was required after the Revolution War. In Nov. 1781 he, Col. John, Wm. Houston, and John Wood were appointed to appraise the estate of Francis Fugate (deceased) who was killed by a fall from his horse and who lived in the Valley when the Tate families arrived. 15. **Tate, Maj. James (b.1778 Botetourt Co., VA)/#1=Davidson, Ruth (#15, p.3, 9-10) (4th G'Grandparents)**
Born c1778 Big Moccasin Creek, a spur of Clinch Mtn. on the Holston River, some 15 miles from Lebanon, Russell Co., VA. Here he grew up and married, however. it is thought he migrated to Warren Co., TN before his father died in 1806. In 1806 he met with some of his brothers and other persons to petition for a new county where they lived, consequently in 1807 Warren County was organized. James and his brother, Robert settled in a remote section of the county, on Taylor Creek, until after James married his 2nd wife, when he moved to the mountains, in what later became Grundy County, TN. He served in the War of 1812 and was promoted to Major of the Tennessee Militia, and was always afterward called Major. He married first Ruth Davidson and had 13 children then divorced. On the Federal Census of 1850 a Ruth Tate is listed living with the Jeremiah Walker Family. 2nd marriage was to Elizabeth Smith on 2-23-1829 and had 5 more children.

James acquired some 20,000 acres of land in Warren and Grundy counties in Tennessee. James and wife, Ruth; John and wife, Dicey; Robert and wife, Susannah; Alexander and wife, Delilah; Mary "Polly" and husband, Marady Price met and sold the land to their brother, Joseph Tate and the Mother Mary who was also in Warren County, Tennessee signed her dower to the son Joseph Tate who remained on the old plantation in Russell County, VA. Major James Tate executed a will. He died testate 19 Apr 1849 and was buried in Philadelphia cemetery some 13 miles south of McMinnville, TN.

Children of Wife #1, Ruth Davidson are #86 thru #98: Children of Wife #2 are #99 thru #103 for a total of 18 children.
